Beloved

I love you. I love you. Where for art thou exhausted my child? Have you gone on ahead of me; and my strength, and my power?

Trust me and I shall give you the land and all that is within it. Trust in my hand. Trust in my resources. Trust in my direction, lean on my strength, lean on my promises. For truly, they will come to pass in this hour.

Now your days of darkness and despair are over; you shall begin to see the light at the end of the tunnel. As you have been working through drudgery, through darkness where you could not see.

But now my child, I shall open your eyes, turn on the light, and make a clear path to the streams in the desert. For shall it come to pass? And when? Yes! And in this very hour.

For you have been diligent, persistent, and unchanging. And I have strengthened you as an iron tool in my hand and an iron tool is for keeps, it does not falter, wither, *snap in harsh treatment* or conditions, it is a reliable tool in all seasons.

For in this season you shall break fetters, bondages, and chains without wavering or tire. For an iron tool is exactly what I needed and what I wanted.

An iron tool is sharpened and strong. Be encouraged, my daughter, for your strength has surpassed many in the kingdom.

Your strength is like a strong tower, and many will run to it, seeking help and advice. For you have withstood the test. You have passed through the mire and the bog.

But now, I shall give you hinds feet like a deer and you shall run like a gazelle and leap over obstacles, and tread unto the high mountains with ease and strength.

You shall surpass all, and all will look to you in awe, as they will see the faithfulness of my attributes within you.

For strength is upon strength, and I shall build you up, and I shall add to your stature, and make you a great city.

For my promises are wonderful and lofty. My treasures are endless. My beauty is un-surpassing. My wisdom goes without saying and speech.

This is the time daughter, come and partake, for no longer will you be forced to drink out of an unclean cistern, NOW you shall have pure, clean water, and endless favor like you have never seen or experienced; for you are well pleasing to me; and have withstood the test.

You have conquered and defeated defeat itself. For you are mighty in the kingdom. And now, my daughter, you shall *only* increase and not decrease. You shall *only* win and not lose, You shall have the favor of the Lord, and *no* more loss. You shall have respect only; and no more nay saying. For you have been called and chosen for this season.

It is *my* doing; give me the glory my daughter, for this is the day of redemption, sanctification, and replenishing. You shall be filled with my refreshing like and empty dry bottle; now clean with the purest water; filled to the overflow and continuing until the end of your days.

Praise me for my faithfulness my daughter. And congratulations for your winnings.

Together, we have accomplished it, my daughter, my queen. Surely you are my spokeswoman for this season. You shall lift up, and encourage, and support many; and you shall dwell in the good land with many and plentiful provisions and you shall share the wealth with others; as I direct you. For it is time.
