

A New Strain of Wheat

KXXT1010AM - www.ItsYourDivineDestiny.com with Janet Mata

So rightly so.

My children are about to eat the fat of the land. They are soon to be catapulted to their destinies - spreading like wildfire. My arrows of joy and gladness shall be in their quivers and they will shoot with precision and accuracy. Their aim will be at the lost, the broken, the depressed and the hopeless.

My children shall be the head and not the tail. They shall be above and not beneath. I am **not** talking about the average. I am talking about those who I call mine. Those that have been given to me. Those who I have put in temporary isolation. Those who I have hand-picked, says the Lord.

My children shall eat the fat of the land, for it is mine to give to whomever I please. I am taking from the wicked and giving to the righteous.

I am raising up a strain of wheat that you have never seen before nor will you ever see again. This strain of wheat will be unstoppable, powerful and will agitate the wicked. They will stir up controversy and restore faith in many. They will be like a wave of peace flooding the land.

And I say to you, "No weapon formed against them shall prosper and I shall silence those who attempt to raise a voice against them."

For it is I, the Lord who is about to release this strain of wheat to the world, - they shall be your bread and will be poured out like a rare bottle of wine.

I save the best for last because this wine isn't man-made. It is the wine of the ages - mixed with miracles, signs and wonders.

You shall awe at the quake of the heavens and the stillness and submission of the land.

Therefore, rejoice! Rejoice! in what I am about to do. For your rewards are to be poured out for a time, times and 1/2 a time.

Rejoice! Rejoice! for I have heard your prayers and I have your best interest in mind. I have considered everything and have managed many details to come - to blow the minds of the inhabitants of the earth as a sign and a wonder.

Get ready! Get ready! for I have been saying this through the prophets for over a decade. Perk up your ears and give heed to my statements for they are true and right. They are a blessing. And contain the favor of the Lord.

My children shall sweep people off their feet and take them to the good land where much fruit is being offered. For what you are about to see has been long overdue.

But remember, details, details! My Father and I have worked out every detail and you will be truly amazed.

Get ready for newscasters to report my doings - as media changes. I am about to change the arts and entertainment industry. I am about to change the church, the family, businesses, education and the government.

And this change will be all-inclusive, leaving no one out. Everyone will have a part to play.

Aren't you excited?

Get ready, on your mark, Go! Says God - be ready to be catapulted. Get ready to see a change in the fashion industry. Get ready for things to be different. Prepare your mind, for *everything* is about to change.

Lights, Camera, Action! Rolling! Let's Go!

Genesis 45:18

Take your father and your households, and come to me, and I will give you the good of the land of Egypt, and you will eat the fat of the land.'

Deuteronomy 28:13 If you listen to these commands of the LORD your God that I am giving you today, and if you carefully obey them, the LORD will make you the head and not the tail, and you will always be on top and never at the bottom.

Father God, thank you for your word.

Thank you that you have told us that everything is about to change.

Glory to the Lamb in the Highest! We praise you Father God for what you are about to do.

You are worthy to be praised and are all together lovely. We adore you and are really excited!

Thank you that no weapon formed against your chosen ones shall prosper and for raising up a standard to protect each one in this new season.

Thank you that your words are faithful and true. We have nothing to worry about or be fearful about. Thank you for the new level of trust that you are building in us today.

Thank you for a new heart. Remove the baggage from yesterday Lord God. Remove all the cobwebs and ancient dust from our spirit man. Father God, remove the generational clutter that is still lingering and shower us afresh with your powerful words.

Give us a paradigm shift in our thinking, and we ask you Holy Spirit to remind us of God's Word.

Father, you said for us to get ready!

So we command forth order in our house!

We command order to our lives, in Jesus Name!

We command our debts to be paid in full in Jesus Name!

We speak a debt-free lifestyle into existence and that we are a cash and carry generation.

We agree that we are not in agreement with the financial system of the world, but that we are world changers and history makers.

Thank you Father that our rewards are building in heaven daily. Thank you that we have food that no one else knows about.

Thank you that we are about our father's business and that our names are written in the book of life.

We pray that we would be counted worthy to make it to the marriage supper of the lamb. That we would not be too busy to respond or attend.

We are an obedient generation of believers and have eyes to see and ears to hear. We are your sheep and we hear your voice.

This is the day you have made and we are joyful and glad in it!

Weeping is in the night season but we are children of the day and declare joy of the Lord over us in Jesus Name.

We speak our Divine Destinies into existence today, the God-ordained destiny that you have planned for us since the beginning of the world.

We call forth our Destiny scrolls and come into full agreement of what God says about us.

To a stranger's voice we do not listen. Block our ears from here- say and gossip, and cause us to spring every trap of the enemy.

We are soul winners and kingdom givers.

We give properly to the kingdom of God.

We seek wisdom like Gold and Silver.

We are in awe of your grace and mercy over us.

Lead us by the still waters.

Deliver us from every enemy plan

Remove from us every generational stronghold and set us free from past failures.

Fill us Holy Spirit and change everything in us that is blocking our blessing.

We command completion to all unfinished business. We command forth everything that the enemy has been holding back, and command it to be released in Jesus' Name!

We give you all the glory, and the honor and the praise this day!

Thank you Jesus!
