KXXT1010AM It's Your Divine Destiny Radio Show with Janet Mata

Original air date: 2- 9-2017

My people, pray like never before - be fervent before me, fast, weep and mourn so you may be given joy and joy abundantly. Fervency is ...determined and consistent - to the point of a burning fire like a consuming fire of an altar before the Lord. A burning fire which I have chosen to kindle in each and every one of you. You are to be my firelights - my chosen vessels of the Holy Spirit fire - the same fire that destroyed Baal and consumed Gideon's sacrifice. Even as you are to be my living sacrifice - so much so and with fervency that I cannot help but accept your offering with my consuming fire and love. For there is a fire in my eyes and I am love. I consume all who love me. For I desire a fervent people.

The enemy is at your feet and is knocking at your door. He is bombarding the courts with accusatory and demeaning arguments against you and how will you stand?

Fervency is the key. Strength in numbers my people. "I have chosen you to be my end time army." says the Lord. An army prepared for the greatest war in the history of mankind. But not just a war as in the days of past - or a battle from folklore or a story from history.

This is the great and mighty battle for your soul. It is an internal battle. And it is a battle of the unseen.

Therefore, compromise can no longer be your lot in life. It can no longer be an alternate choice. You shall no longer be willing to compromise situations or dealings - so get rid of everything in your life that agrees with Satan - and

do not deceive yourselves. Do not buy into ideas and teachings that are contrary to my word. For my word says to not fornicate. My word says do not give false testimony about your neighbor. But I have witnessed my own people take family members to court. A people divided amongst themselves cannot stand.

Fervency - burning fire before me. Be holy as I am holy. Be fervent and live. I am calling you to strengthen your feeble knees and to come into one accord. To pray unceasingly and to not harbor unforgiveness towards your brothers.

For you have been chosen for such a day as this. You shall mount up with eagles wings like the cherubim and accomplish mighty feats on the earth says the Lord.

Let praises to your God and King be found not just on your lips, but abundantly in your heart. Fill yourselves with love, joy, peace, kindness, gentleness, self-control and discipline.

Receive the Holy Spirit and the baptism of fire. For I desire a people who are on fire for me. To be a consuming fire on the earth. To set a blaze the enemy's plantings, so good may come out of the wickedness.

For I have called a holy people unto me to be fervent with a burning fire unto me, your Lord and King.

Let my word of truth permeate your being. Let my word change heaven and earth. For there is a battle in the heavenlies - after your call, destiny and future. The enemy of your soul does NOT want you to succeed in this. The enemy of your soul wants you to focus on him, his doings and the problems he creates. He wants you to be depressed, hurt, fearful, and even religious. For wasn't it the religious men who were jealous of Jesus? Weren't they angry within themselves and prideful of their knowledge of rules and regulations?

For man-made rules are not going to save your soul! Following a ritual is not the key to life - rather the road to death! Wake up my children! Come out of religion and into me! For I created you! Get eyes to see and ears to hear! Open your hearts and receive the scroll of your destiny. Reach out right now, and receive your destiny scroll. Do not put it in your back pocket. Rather eat it and fulfill your call in Christ Jesus. Do this in remembrance of me. Say and pray to Father that not my will by my Father's in heaven's will be done. For I have set the example for you in the garden of Getsemane. I fully submitted my will to Father in something I did not want to do. But was willing to submit to. Why? For the joy that was set before me.

So you might say, "That does not look like joy." But I say to you, "This is a spiritual war, friend. The battle is fierce and is out to destroy you and take you out. How will you survive for what's coming if you do not listen to my words?"

If you do not choose to be a fervent people before me, you will be taken out by the enemy. Right now I am calling you out of spiritual darkness into light. I am filling you with my glory light right now.

Feel your atmosphere change right now. Go forth and be a witness unto me and a hero in the kingdom of Heaven. For you are to be part of my glory, honor and praise in every way. You are my chosen ones. Fulfill your call with fervency.

I will truly bless you and release and impart all strength and due diligence needed to accomplish everything that is in your scroll. Be fully confident in me, for it is I who gives you strength in every way. Believe, Trust, and be Fervent.

Yours Truly, Yeshua

*Words of Encouragement: Hebrews 5:7 During the days of Jesus' life on earth, he offered up prayers and petitions with **fervent** cries and tears to the one who could save him from death, and he was heard because of his reverent submission.*

*Ezekiel 1:13 The appearance of the living creatures was like **burning** coals of **fire** or like torches. **Fire** moved back and forth among the creatures; it was bright, and lightning flashed out of it.*

Father God thank you for your word of truth.

Thank you that you have the instructions and that you are creating an obedient heart in us.

Forgive us Father God, for the sin of prayerlessness. Forgive us Father, for the sin of fornication, both physical and spiritual. For you are a jealous God, and we shall have no idols before you. We receive your forgiveness. We forgive ourselves. And we release ourselves from all debt and obligation that we would owe. We cancel all of satan's power and authority over us in this issue because we have been forgiven. Holy Spirit come into our hearts and tell us your truth. Fill us up with obedience, and humility. Fill us with a love for you that no one could ever change. Change our hearts.

We take our destiny scroll - the book that is written about us in the heaven's and eat it right now. We receive the call you have for us and choose to accomplish the feats written in them. We call forth our divine destiny, and call in life. That we would fulfill it to the T. That we would not be distracted or choose an alternate destiny. We choose to agree with what is written in the Kingdom of Heaven about us and do so with joy and gladness.

We turn our hearts towards you right now.

We turn from any wicked way and every stray path. We ask that the Holy Spirit fire set blaze to any pathway that is not from you.

We call forth the spirit of fervency. Give us favor to pray fervently. Give us due strength to move forward with fervency in every area of our lives for the glory of the Kingdom. Give us favor to win souls for the Kingdom of God!

Give us the endurance and mindset to pray unceasingly every day! Reveal every tactic of the enemy and deception so we might not stray from our calling of God in our lives.

We choose to come into unity with our brother's and sister's in Christ according to your command.

We give you all the praise, the honor, and the glory this day!

**Thank you Jesus!**
